St Aloysius' Vision

St Aloysius is a proud and welcoming Catholic Community where everyone is known and valued.

At our school we have a dynamic environment where our children:

- *Develop a lifelong love of learning*
- *Are empowered with the skills to contribute confidently within the global community*
- *Engage in contemporary learning*
- *Appreciate the importance of social justice.*

Through positive partnerships and high expectations our children will be the best they can be.

In God we grow.

PRINCIPAL'S NEWS

MOTHER'S DAY

It was pleasing to see so many take up the invitation to attend the Mother's Day Breakfast at both campuses. The children were so proud to have the opportunity with their mum or grandmother or special friend. The staff prepared a delicious feast of food that was shared by all.

The respective PFA are to be congratulated on the wonderful gifts that the children were able to purchase for their mothers. Once again the community from both campuses did the best possible for the children in our care.

FIRST RECONCILIATION STUDENTS

Congratulations to the Year 3 students from both campuses who made their First Reconciliation on Tuesday 7 May: Ben, Ken, Delilah, Hannah C, Woody, Jacob, Tess, Angelo, Sasha, Archie, Siena, Dylan, Hadassah, Darcy, Caleb, Hannah W. Their teachers prepared them for the sacrament and the students are to be thanked for the reverence they showed during the service. Thank you Mrs Toni Dent, Mrs Marina Russo and Mrs Deirdre Cosgrave who prepared the students for the sacrament.

SOCCER LIGHTNING PREMIERSHIP

A big thank you to all of the Year 5 & 6 students who participated in the lightning premiership on Friday the 3rd of May. It was an amazing day out on the pitch, full of sun and great soccer skills, which for some of the players was the first time in a formal game.

The Boys and the girls teams successfully were able to reach the Semi-finals, with the boy's team being victorious in the Grand Final.

Our students are to be commended on their positive, team attitude and should be proud of how the campuses played collaboratively together. This was a great set up for the Interschool Sports that will take place this term. A thank you to the parents who came out to watch and supported the teams.

LATE IN THE MORNING

This is a reminder that children are required to be at school at 8.40am so that they are able to settle into the morning duties of preparing themselves for the learning that will take place at 9.00am.

NAPLAN CONGRATULATIONS

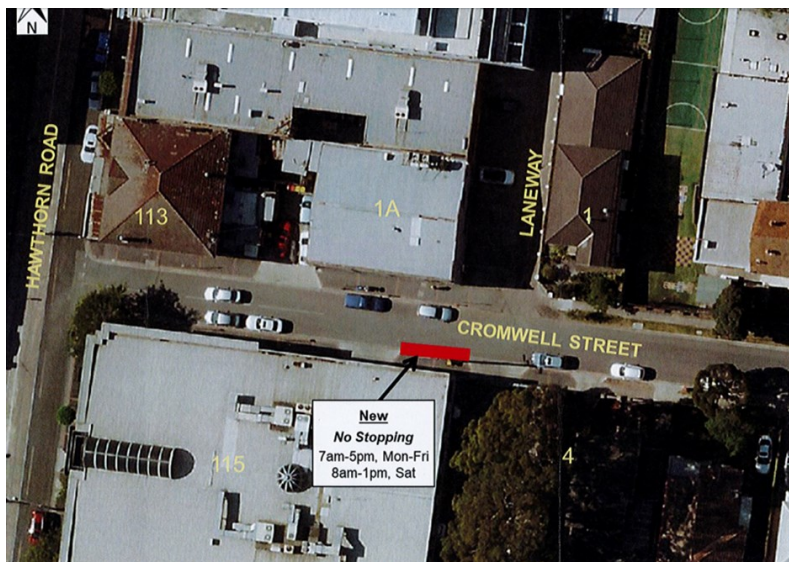

Well done to all the Year 3 and Year 5 students who took part in the centrally administered test this week. We are proud to say that there were minimal interruptions to the online testing because of the technological preparation that was carried out during the weeks prior to the testing time. This enables the students to carry out the tasks required with comfort and ease.

SICK CHILDREN

The teachers request that if your child is sick and not well enough to come to school that you please keep them at home. It has been brought to our attention that when the children are told prior to coming to school to *"Tell the Teacher if you are sick I will pick you up!"* most times they will remember this and come down to Sick Bay even if they are well enough to stay at school. If your child is not well enough to come to school we ask that you consider that they stay at home to avoid spreading of any germs or illnesses that may be present.

CROMWELL STREET PARKING RESTRICTIONS

I bring to your attention that Glen Eira Council is now enforcing parking restrictions on the south side of Cromwell Street just west of the laneway. No Stopping signs will be installed to signal the change as shown on photo. This change is to allow the easier access of larger vehicles.

*Our Lady,
Our only hope,
please enlighten our minds
with the beauty of your grace, cleanse us
with the whiteness of your purity,
warm us with the warmth of your visit
and reconcile us with your Son,
so that we may deserve to reach
through his help the splendour of His glory.
Amen*

Yours sincerely,

Margaret Carlei
Principal

St Aloysius News

Dear Parents,

It was lovely to have so many Mothers and Grandmothers join us for Mothers Day breakfast last week, it really is one of our favourite gatherings.

The year 3 and 5 children completed their NAPLAN tests online this year. Well done to all the children who worked hard and did their best.

Last week the staff were involved in professional development around the Digital Technology (DT) curriculum. Often the focus is on coding - but the curriculum is much broader than that, coding is just the instrument. The DT curriculum is broken up into three main areas.

Data Visualisation-

Collect, explore and sort data, and use digital systems to present the data creatively.

Designing algorithms-

Follow, describe and represent a sequence of steps and decisions (algorithms) needed to solve simple problems. Everyday algorithms like how to brush your teeth or tie your shoelaces.

Collaboration & Communication-

Create and organise ideas and information and share these with known people in safe online environments. We looked at how we can support some of the deeper and richer skills that students can gain which will be important for their future careers.

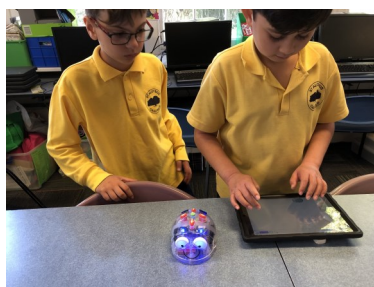

Tomorrow the years 3-6 will take part in the inter school cross country competition at Bald Hill park in Clarinda, parents are very welcome to attend.

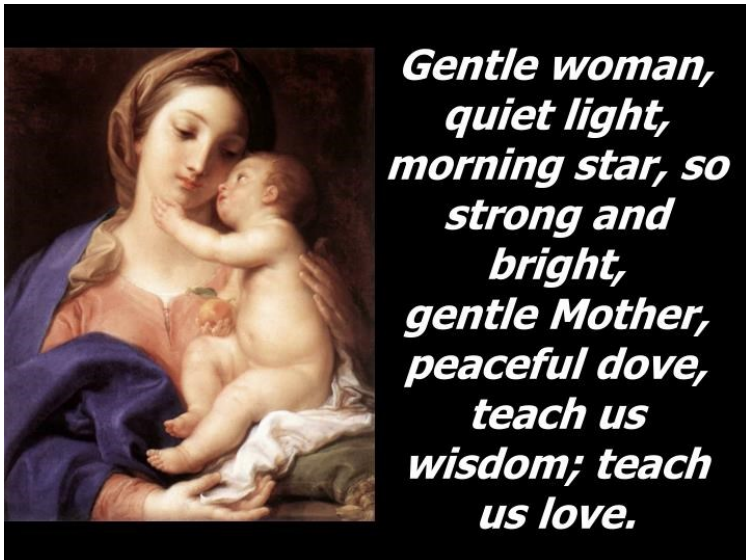

Next week the Year 3 and 4 students will be attending camp in the city from Monday to Wednesday. They are very excited and looking forward to visiting many of our landmarks. You can follow our adventures on Twitter and facebook.

Thank you to all the families who volunteered to help out with our polling day activities - BBQ and cakes.

Enjoy what looks like will be a beautiful Autumn weekend.

Deidre

The Mother's Day Stall last Friday was a huge success.

Thankyou for your gift contributions.

We hope all our mothers, grandmothers and carers had a wonderful Mother's Day!

Dear Jesus,

I pray for you and everyone in heaven, I hope that they are just as happy as I am. I pray that one day we can all get along and be happy together. I pray for people that are not as kind that they become closer to you and everyone around them. I pray for people that have less or nothing that they can still be happy even though they don't have what they need. I'm thankful for what I have and what I will receive in the future. I thank you for the people in my life, the things that I have, love that I give and receive, and giving me the chance to love and forgive one another. I thank you for my health, so I can live to be a better person every day, I thank you for my legs, so I can walk on your beautiful earth, I thank you for my eyes, so I can see the beautiful things in life, and I thank you for letting me be me.

Amen
