At our school we have a dynamic environment where our children:

- Develop a lifelong love of learning
- Are empowered with the skills to contribute confidently within the global community
- Engage in contemporary learning
- Appreciate the importance of social justice.

Through positive partnerships and high expectations
 our children will be the best they can be.
In God we grow.

ST ANTHONY'S SCHOOL – ST ALOYSIUS CAMPUS CAULFIELD

Dear Families,

Welcome to the 2019 school year! It was wonderful to see the excited faces of students, parents and carers returning to school last week. The welcoming faces of all as they walked through the gates were a reassurance that all was back to normal and routines were once again back in place. As I walked around the school and into the classrooms it appeared that everything was settled and the children were all happy to be back at work. I found that their smiling faces were a great reassurance for me that made me feel welcomed and at home ready for a new adventure.

As we begin this new school year there will be many opportunities to bring together this warm and welcoming community which embraces its diversity. There will be many exciting events happening throughout the year which will highlight the wonderful work that takes place at St Aloysius Campus. There will also be many opportunities for the staff and students to join with St Anthony's Campus in a variety of activities.

Congratulations to the three Foundation students Lucas, Layla and Derick who have settled into the Juniors classroom routine with ease and comfort. Thank you to their parents and carers who made them feel reassured that they were ready for school and to Mrs Margaret Mitchell who ensured that they were all engaged and happy on their first days with us. Their own and their family's journey with us has started smoothly and are all ready to take on all the work ahead with confidence.

BEGINNING OF THE SCHOOL YEAR MASS

All families are invited to join students and staff from St Anthony's Campus and St Aloysius' Campus to celebrate the first Mass for the year at 10.00 am at the St Anthony's Church, Glen Huntly.

The Year 6 student leaders and the SRC representatives will receive their badges after Mass on Friday.

*We have had time to rest,
 And now we are full of energy.
 We have had time to think,
 And now we are full of ideas.
 We have had time to stop,
 And now it's time to get going.
 Be with us God we pray. Amen*

Sincerely Yours

Uniform Reminder from Mrs Carlei

As routines turn back to normal for the year ahead this is a gentle reminder that it is an expectation that all children wear the School uniform in the correct manner. The summer uniform is to be worn everyday except when your child's class has Sports. All jewellery is to be appropriate and at a minimum e.g. small stud earrings, watches. Hair must be neat and tidy and if long must be tied up so that it out of the face and able to be worn with the school sunhat with ease.

Please remember to clearly label all items of clothing with your child's name.

Emergency Undies

Yes, I hope we have your attention!

Some times the children are so involved in what they are doing that they forget to stop and don't make it to the bathroom in time and there are little accidents.

It would be fantastic if every child had a spare pair of underpants in a small zip lock bag in the small side pocket of their school bag. This alleviates the anxiety of having to use a spare pair from the sick bay (these supplies are often not quite the same as a child's own).

Please take a few minutes over the weekend to pop a spare pair into your child's bag.

FREE FIREWOOD

During the holidays we had a couple of trees removed on the west boundary fence and have some firewood which we would love you to take home if you have a log fire. The wood is beside the After Care room on the boundary fence. Please let us know when you might be able to collect it so that we can arrange a time when the children are not out in the yard.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

Star of the Sea College will be conducting a series of tours from March through to August for families who wish to apply for a place at the College in Year 7, 2021.

Tour bookings are now open and are made via our website - go to:

<http://www.starmelb.catholic.edu.au/new/enrolment/tours>

It is important for your families to also visit:

<http://www.starmelb.catholic.edu.au/new/enrolment/enrolment-criteria> for the Year 7 Enrolment Criteria list and there are Enrolment FAQ to assist your families as well.

The Key dates in the application process are listed at:

<http://www.starmelb.catholic.edu.au/new/enrolment/key-dates>

The tours in the Grade 5 series are not whole-school tours. These tours are specifically designed to cover the areas a Year 7 student would inhabit in the course of any week. We move through areas that are 'in action' with students and teachers in lessons and activities so that the families can see the spaces as their daughter would on any given day.

Taking just over one hour, the Year 10 Tour Guides will lead the groups and assist students with their questions and staff will be available to answer parents' questions at the end of each tour.

All tours commence @ 8:30 am sharp in our Chapel and conclude in Presentation Place next to the College gates. We endeavor to keep to the hour so that parents can take their daughters back to school and move on to their workplaces without too much disruption to their day. We have varied the days of the week to accommodate parents who are shift workers or travel a lot with their jobs. Parents must allow time for parking and moving through to the Chapel to be seated for the commencement of each tour.

The 8 tours in the series accommodate 100 visitors at a time (taken around in 5 groups) - should we need to create more tours in the series we will, keeping in mind that there are no tours during exam periods.

PAEDIATRIC FIRST AID AND RESUSCITATION

Around 300 Australian children die each year due to accidental injuries. Many of those lives could have been saved if parents or other caregivers knew simple first aid and resuscitation skills.

Paediatric first aid and resuscitation is a two hour course which can provide you with the skills to save your child's life.

Developed in association with The Royal Children's Hospital Child Safety Centre and taught by ambulance paramedics, this course covers:

- care of the unconscious child;
- febrile convulsions;
- child and infant resuscitation;
- calling an ambulance; and
- management of a choking child.
